

Praying for the Election Fraud Witnesses and Lawsuits

IFA'S PRAYER GUIDE FOR GOD'S PROTECTION OF WITNESSES AND FOR JUSTICE

In hearings across the nation, average Americans are coming forth with their first-hand observances of irregularities and voter fraud. They are testifying and making statements in multiple states and hearings. Instead of gratefulness for their cooperation, they are being met with disdain, hostility, threats, doxxing, social media bans, lost jobs, and even physical harm. They need prayer.

Brave witnesses shown above, are just a few of the hundreds who have testified in Michigan, Pennsylvania, and other states who held hearings. We are praying for all of the witnesses who have come forth--those known and unknown to us. (Photos captured by screenshot of video testimony.)

Prv 21:15

Pray that there would be no fear for those who are testifying and providing witness statements, but that there would instead be joy for their participation in justice.

Col 3:25

Pray that the fruit of the testimony of these witnesses would bring about justice--vindication for the innocent, and punishment for the wicked.

Hos 12:6

Pray that each of the witnesses would cry out to God for direction, protection, and comfort as they bravely stand up for truth. May they feel God's Presence.

Job 12:22

Pray that the witnesses' testimony would be key in revealing the darkness of fraud and wrongdoing that occurred in this election. May they be rewarded to know they were part of ushering in justice in our nation.

Ps 91:9-10

Pray that the witnesses are protected from any physical harm, protected from any retribution, protected from any plan of the Enemy, and protected from any scheme to harass or destroy them.

Praying for the Hearings and Lawsuits on Voter Fraud
