GOVERNMENT’S MOTION TO INQUIRE INTO POTENTIAL CONFLICTS OF INTEREST

FACTUAL BACKGROUND

Pray that all the lies would be uncovered and brought to justice. (Dan 2:22)

2. The defendant is charged in a one-count indictment with making a materially false statement to the FBI, in violation of Title 18, United States Code, Section 1001 (the "Indictment"). As set forth in the Indictment, on Sept. 19, 2016 – less than two months before the 2016 U.S. Presidential election – the defendant, a lawyer at a large international law firm ("Law Firm-1") that was then serving as counsel to the Clinton Campaign, met with the FBI General Counsel at FBI Headquarters in Washington, D.C. The defendant provided the FBI General Counsel with purported data and "white papers" that allegedly demonstrated a covert communications channel between the Trump Organization and a Russia-based bank ("Russian Bank-1"). The Indictment alleges that the defendant lied in that meeting, falsely stating to the General Counsel that he was not providing the allegations to the FBI on behalf of any client. In fact, the defendant had assembled and conveyed the allegations to the FBI on behalf of at least two specific clients, including (i) a technology executive ("Tech Executive-1") at a U.S.-based Internet company ("Internet Company-1"), and (ii) the Clinton Campaign.

Answered prayer! PROOF of who was behind the false Russia collusion narrative. (Prv 21:15)

3. The defendant's billing records reflect that the defendant repeatedly billed the Clinton Campaign for his work on the Russian Bank-1 allegations. In compiling and disseminating these allegations, the defendant and Tech Executive-1 also had met and communicated with another law partner at Law Firm-1 who was then serving as General Counsel to the Clinton Campaign ("Campaign Lawyer-1").

Ask for justice for everyone involved in this scheme. (Num 32:23)

Pray for full exposure of the misuse of power. (Lk 16:10)

4. The Indictment also alleges that, beginning in approximately July 2016, Tech Executive-1 had worked with the defendant, a U.S. investigative firm retained by Law Firm-1 on behalf of the Clinton Campaign, numerous cyber researchers, and employees at multiple Internet companies to assemble the purported data and white papers. In connection with these efforts, Tech Executive-1 exploited his access to non-public and/or proprietary Internet data. Tech Executive-1 also enlisted the assistance of researchers at a U.S.-based university who were receiving and analyzing large amounts of Internet data in connection with a pending federal government cybersecurity research contract. Tech Executive-1 tasked these researchers to mine Internet data to establish "an inference" and "narrative" tying then-candidate Trump to Russia. In doing so, Tech Executive-1 indicated that he was seeking to please certain "VIPs," referring to individuals at Law Firm-1 and the Clinton Campaign.

Answered prayer! PROOF of fake Russia narrative. (Jer 33:3)

Pray for people in power to be surrounded by ethical advisors and assistants. (Gal 1:10)

Pray for justice in the crime of infiltrating White House servers. (2 Pt 2:19)

5. The Government's evidence at trial will also establish that among the Internet data Tech Executive-1 and his associates exploited was domain name system ("DNS") Internet traffic pertaining to (i) a particular healthcare provider, (ii) Trump Tower, (iii) Donald Trump's Central Park West apartment building, and (iv) the Executive Office of the President of the United States ("EOP"). (Tech Executive-1's employer, Internet Company-1, had come to access and maintain dedicated servers for the EOP as part of a sensitive arrangement whereby it provided DNS resolution services to the EOP. Tech Executive-1 and his associates exploited this arrangement by mining the EOP's DNS traffic and other data for the purpose of gathering derogatory information about Donald Trump.)

Thank God for this PROOF that Pres. Trump was targeted. (Ex 20:16)

6. The Indictment further details that on February 9, 2017, the defendant provided an updated set of allegations – including the Russian Bank-1 data and additional allegations relating

to Trump – to a second agency of the U.S. government (“Agency-2”). The Government’s evidence at trial will establish that these additional allegations relied, in part, on the purported DNS traffic that Tech Executive-1 and others had assembled pertaining to Trump Tower, Donald Trump’s New York City apartment building, the EOP, and the aforementioned healthcare provider. In his meeting with Agency-2, the defendant provided data which he claimed reflected purportedly suspicious DNS lookups by these entities of internet protocol (“IP”) addresses affiliated with a Russian mobile phone provider (“Russian Phone Provider-1”). The defendant further claimed that these lookups demonstrated that Trump and/or his associates were using supposedly rare, Russian-made wireless phones in the vicinity of the White House and other locations. The Special Counsel’s Office has identified no support for these allegations. Indeed, more complete DNS data that the Special Counsel’s Office obtained from a company that assisted Tech Executive-1 in assembling these allegations reflects that such DNS lookups were far from rare in the United States. For example, the more complete data that Tech Executive-1 and his associates gathered – but did not provide to Agency-2 – reflected that between approximately 2014 and 2017, there were a total of more than 3 million lookups of Russian Phone-Provider-1 IP addresses that originated with U.S.-based IP addresses. Fewer than 1,000 of these lookups originated with IP addresses affiliated with Trump Tower. In addition, the more complete data assembled by Tech Executive-1 and his associates reflected that DNS lookups involving the EOP and Russian Phone Provider-1 began at least as early 2014 (i.e., during the Obama administration and years before Trump took office) – another fact which the allegations omitted.

Answered prayer! No evidence Pres. Trump colluded with Russia. (Ps 91:8)

Ask God to expose any evil and wicked acts affecting the U.S. (Job 12:22)

Pray for proper conviction of perjury. (Dan 2:22)

7. In his meeting with Agency-2 employees, the defendant also made a substantially similar false statement as he had made to the FBI General Counsel. In particular, the defendant asserted that he was not representing a particular client in conveying the above allegations. In truth and in fact, the defendant was representing Tech Executive-1 – a fact the defendant subsequently acknowledged under oath in December 2017 testimony before Congress (without identifying the client by name).

INTERCESSORS FOR AMERICA

As we pray for the ongoing Durham investigation, the search for truth, and the push for justice, let us pray about what we are also seeing--or not seeing--in our nation with these revelations by Special Counsel, U.S. Attorney John Durham.

- Pray that the case and the truth of the investigation's findings would be in plain view of the public through news reports and social media. Let it not be buried and hidden, furthering the deception about this issue that has been and is currently going on.
- Thank God for U.S. Attorney John Durham and his team who have brought these revelations to light. Pray for Durham, his family, and staff. Pray for supernatural protection and boldness as they find themselves at the center of revealing damaging information about powerful people, including Hillary Clinton and her campaign.
- Pray for DC District Court Judge Christopher Cooper who is presiding over this case. Judge Cooper's wife Amy Jeffress, was a former top aide to Obama Administration Attorney General Eric Holder and she represented FBI lawyer Lisa Page in a civil case. (Is 10:1) Pray that he would understand God's ways and would issue just and fair decrees.
- Pray for boldness for media personnel to report the truth of the findings and to stay on top of the story as it progresses. This is news of a huge magnitude and comparable to the Watergate wire-tapping.
- Pray not only for truth to continue to be fully revealed, but pray for justice to come to the gates, as the Bible says in Amos 5:15.
- Pray that the spirit of deception and the spirit of Leviathan would be cut off at the knees and crushed.
- Pray for confusion in the camp of those who seek to continue to perpetuate cover-up and spin of the deeds unveiled in the Durham investigation. Pray that the people who are setting traps would fall into them and not others. (Ps 7:15)
- Pray that all who have colluded to wiretap, surveil, deceive, and manipulate would confess and expose details of all the wrongdoing and everyone involved. Pray that everything (every evil intent and action) would be exposed to light and become visible (Eph 5:13).
- Pray for protection for all those people and platforms who share this information. Pray against plans of the enemy for cancellation and censorship.
- Pray through the scripture, *Hate evil, and love good, and establish justice in the gate...*(Amos 5:15) May justice be at the gate and fulfilled!
