## **Insights from Intercessors**

- We learned early on to be investors, not just givers. When you invest your money, you put it where it brings the biggest return... We are generous but very selective. IFA has been a bluechip stock in the Kingdom. IFA is the gold standard. It's very easy to give to IFA because we know the money is going to a good, good cause. -Bill
- Thank you, IFA, and all those who are answering the call to pray and fight for righteousness and freedom in our nation.... Our God is bigger and able to do exceedingly abundantly more than we can ask, think, or imagine. All glory be HIS.... Let's keep the fire burning and the Spirit alive and active to bring forth a great harvest unlike ever before. -Susan

We are so grateful for all of you who contribute. Without you, the work of IFA could not go on.

Dave Kubal, IFA President & CEO
