*A comprehensive report on the roots, beliefs, and spirit of Islam and 30 Days of strategic intercession to battle it in America.*

## Rage, Terror, Dominance, and Jihad

*For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places (Eph. 6:12).*

This Strategic Prayer Guide provides intercessory intelligence about the increasing dominance of Islam in the laws and culture of our nation. Understanding the spirit behind this false religion and the tactics and practices they are employing to grow their grip on our nation and the world helps us to be more strategic intercessors. Prayer points and guidance are listed throughout this Special Report Prayer Guide. Islam is in America. Our clear understanding about this ideology and political system of Sharia is critical to be able to pray and take action against it in our nation.

**Pray for understanding of Islam, for discernment about how it is affecting our nation, and for release of captives from the spirit of Islam.** **Pray 1 Corinthians 14:15:** So what shall I do? I will pray with my spirit, but I will also pray with my understanding . . .

With the staggering influx of Muslims immigrating into the U.S., the influence of Islamic culture has grown exponentially. School curriculum includes Islam, government agencies make accommodations for hijabs and prayer times, and special exceptions for Islamic dietary laws, among many others. Why should this concern us? Immigrants have come to America from all over the world throughout our nation's history. Why a Special Report on the impact of Islam in our nation? Is there a spiritual component to this situation? Let's delve in for 12 days—and then pray an additional 18 days. You will learn about and pray about the people, organizations, spiritual principles, and effects of this evil phenomenon—the “Islamification of America.” It is an issue that is at its very root is spiritual, so intercession is necessary to battle it.

In 15 years, from 2010 to 2025, the **American Muslim population has grown by over 73%**, according to studies by Pew Research Center and US Religion Census (USreligioncensus.org). This is an increase of over at least two million countable Muslims in our nation (not reflecting those here overstaying a long-term VISA or arriving through illegal entry). It is important to understand how these exploding numbers are affecting our nation.

Ask the Lord for discernment regarding what you read about Islam in our nation. There are many voices out there—even some of them Christian—who tell us that America needs to accept the tenets, the practices, and the message of Islam. However, we believe we must reject Islam and love Muslims. How? **Pray through this guide, asking God to reveal the truth about the false religion of Islam and how we as believers should approach it in prayer and action. The time is dire for the growing Islamic influence in America. Our prayer and action is needed before it's too late to preserve our freedom and our Constitution.**

## Deception about Islam—and the Truth

Modern culture tells us Islam is a peaceful religion and Muslims worship the same God as Jews and Christians. That is not true. In order to pray effectively, we need to understand the truth, especially since Pew Research reports that Islam is the third-largest religion in the world, after Christianity and Judaism, and is the fastest growing religion.

### What does Islam really teach about...

#### Jesus

Muslims believe that Jesus did exist, although they do not believe He is God. Scripture tells us the truth. **In John 10:30, Jesus states, “I and the Father are one.”** Instead of God, Muslims consider Jesus to be just another prophet. Author Dr. Michael Brown states “the essential difference between Christianity and Islam is the difference between Jesus and Muhammad. **Jesus** was a spiritual leader who laid down His life to save the world. **Muhammad** was a spiritual leader, who became a political leader, then a violent military leader. Jesus accomplished His mission by dying on the cross. Muhammad accomplished his mission (at least in large part) by ruling by the sword.” Although Islam states that Jesus was a prophet, the teachings of Jesus and Muhammad are entirely incompatible. While some themes may be commonly found in both Jesus and Muhammad’s teachings, such as helping the poor, most are at direct odds with one another. **You cannot follow Jesus as Savior and embrace Muhammad too.**

**Pray John 3:16 (For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life.) and acknowledge God’s provision in Jesus.**

#### Abraham

Islam and Christianity are **not** two religions following the same god. Muslims believe that the promised son of Abraham in Genesis is actually Ishmael, not Isaac. They claim that Abraham traveled to Mecca with Ishmael and worshipped god at the Kabba, a stone idol in Mecca. Muslims believe, in the spirit of the prophets of Abraham, Ishmael and Moses, that Muhammad is a prophet and the greatest mouthpiece for god—the god they call Allah. Muhammad was a real person who lived from AD 570-632. He claimed to receive a revelation from the archangel Gabriel revealing that he was to be a prophet to the Arabic peoples promoting singular belief in Allah. **This is not in the Bible. This claim that we worship the same god by a different name is false.**

**Pray Luke 4:8 (And Jesus answered and said to him, “Get behind Me, Satan! For it is written, ‘You shall worship the Lord your God, and Him only you shall serve.’”) over our nation that we would serve only God.**

# Islam and the Spirit Behind It

## The Quran

Muhammad claimed that over the course of 22 years after receiving the purported visit from the angel, the writings of the Quran, one of the holy books of Islam, were revealed to him. The Quran rejects the deity of Christ, the death of Christ, and the resurrection of Christ—foundational facts of the Christian faith. The Quran retells stories from the Bible, such as Adam and Eve in the Garden of Eden, skewing the facts and inserting Allah into the story with a different outcome. The Quran advocates violence and death to those who do not follow Allah—the “infidels.”

Here is one of many of the passages in the Quran that command violence in the name of Allah: “Fight in the way of Allah those who fight you...And kill them wherever you overtake them. Fight them until there is no [more] fitnah and [until] worship is [acknowledged to be] for Allah.” (2:190-191)

We hold the answer to this. God’s Word: . . . we do not war according to the flesh. For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ, and being ready to punish all disobedience when your obedience is fulfilled (2 Cor. 10:3-6).

The Bible teaches the willingness of God to die for the redemption of man. The Quran teaches conquering those who do not follow Islam and that Muslims should die for the advancement of Islam. The Quran is a false teaching, twisting biblical history and advocating for hatred and violence. **We cast down these “arguments” and “high things” that are exalted against Jehovah, in the name of Jesus.**

## The Danger of “Chrislam”

In an effort to extend love to Muslims, some Christian leaders have gone too far to affirm Islamic beliefs. Validating the ideologies of Islam and marrying them with the Christian faith is not only hindering Muslims from finding the truth of Christ, but it is heresy and the Bible warns us of this.

We can, and must, as Christians, be loving toward others, but still reject their false religion. Scripture tells us ***“Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved.”*** Acts 4:12.

**Pray for believers to love the lost who may be Muslims and preach the truth boldly about Jesus Christ. Pray for wisdom to avoid compromise for the sake of unity.**

***Add your prayer notes on this page. What is the Spirit speaking to you on how to pray for truth in this matter?***

## The Anti-Christ Spirit

Adolf Hitler wrote a book at the beginning of his rise to power that fueled his message: *Mein Kampf*, translated My Struggle. The word struggle shares a similar meaning with the word jihad. It cannot be a coincidence that two antisemitic, anti-God, violent, and oppressive systematic ideologies are both built on the idea of struggle. Could it be the struggle of the antichrist spirit behind these leaders and their movements to gain power?

The anti-Christ spirit is defined by its denial of some very specific aspects of Jesus' nature and His relationship to God the Father. Islam very specifically and very deliberately denies all three of the specific doctrines that the Apostle John identifies as defining the antichrist spirit:

By this you know the Spirit of God: *Every spirit that confesses that Jesus Christ has come in the flesh is of God, and every spirit that does not confess that Jesus Christ has come in the flesh is not of God. And this is the spirit of the Antichrist, which you have heard was coming, and is now already in the world* (1 John 4:2-3).

### They deny the Sonship.

Although they acknowledge Jesus as part of the Islamic faith, He is no more than a prophet, and not the son of God.

### They deny the trinity.

To a Muslim, the idea of the trinity is blasphemous—equivalent to worshipping three gods.

### They deny the Cross.

There are varying beliefs among Islamic scholars as to what happened to Jesus, but they all agree that there was no death on the cross.

**Pray** for revelation of these three points to Muslims—that they would have dreams, visions, and encounters with Jesus, recognizing the TRUTH of WHO Christ is and WHAT He did to save all men!

**Pray** about the spirit behind Islam. Pray that the antichrist spirit would be thwarted. Pray for freedom from oppression, works, and violence. Ask God to give you insight on how to pray about this centuries-old false religion that is active in our nation.

**Pray** 2 Corinthians 10:3-5. (*For though we walk in the flesh, we do not war according to the flesh. For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ*).

*Share on this page notes on how you are praying about this and what the Spirit may be saying to you.*

# Jihad's Nazi Connections

Formed in 1928, the radical Islamic group Muslim Brotherhood sought a return to religious Islam. Its rise to power was fueled by the hatred of the Jews. Membership in the Muslim Brotherhood swelled in 1938 as Adolf Hitler's Nazi Germany grew in power. Both movements sought dominance based on a belief in their inherent superiority.

Hajj Amin al-Husseini, the Grand Mufti of Jerusalem, was the head of the Muslim Brotherhood and the foremost Muslim spiritual leader of his time. He transplanted Nazi genocide to the Middle East, creating an Islamic Fascist hybrid in the Muslim Brotherhood. He was close to Hitler and a paid Nazi agent. In fact, Hitler and the Grand Mufti used similar propaganda, plans, swastikas, and children's organizations. The personal memoirs of the Grand Mufti show that he had also planned a death camp, modeled on Auschwitz, to be constructed near Nablus for the systematic genocide of Palestine's Jews.

The Nazis appointed the mufti "Das Arabische Buro Der Grossmufti" of Berlin. He was heralded and given a large monthly allowance. The Nazis instructed him to hire many assistants, their salary also paid by the Third Reich. While in Berlin the mufti worked closely with Hassan Salameh – the father of the Palestinian terrorist Ali Salameh, known as "the Red Prince", and one of the terrorists behind the 1972 Munich Olympics massacre of Israeli athletes.

There are recordings of the grand mufti broadcasting to the Arab world in Arabic, in which he says, "Kill the Jews wherever you find them – this is God's will."

*And there is nothing new under the sun*  
(Eccl. 1:9).

**Pray 1 Corinthians 14:15: *So what shall I do? I will pray with my spirit, I will also pray with my understanding . . .***

## What exactly is Jihad?

**Jihad** means “a struggle or fight against the enemies of Islam” and “the spiritual struggle within oneself against sin.” A holy war waged against non-Muslims on behalf of Islam, is considered to be a religious duty; also, a personal struggle in devotion to Islam. This definition calls to mind these verses from Hebrews 12: “looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God. For consider Him who endured such hostility from sinners against Himself, lest you become weary and discouraged in your souls. You have not yet resisted to bloodshed, striving against sin.” From these verses, we see a few prayer points.

- 1. We pray that Muslims would look to Jesus as the author and finisher of faith and see clearly that he died on the cross and rose again.**
- 2. We pray for people to bring the gospel to Muslims, and not become weary and discouraged.**
- 3. We pray that the only jihad people find would be the victory over sin through receiving the completed work of Jesus on the cross.**

## Other Islamic Terms and Practices to Know

### Sharia

The extensive legal code of Islam, dictating hierarchy of men over women, Muslim over non-Muslim, and includes dietary, relational, religious laws and harsh penalties.

### Taqiyya

Deception or lying for the advancement of Islam. This is a legitimate practice accepted and encouraged by Islam: “The complete and perfect war waged by a holy warrior is a war of deception.”

### Hijra

A core part of jihad going back to Muhammad that involves Islamic conquest through migration.

### Dhimmi

A non-Muslim who falls under Islamic rule and, as a price for maintaining his religion, accepts an inferior social standing and often pays a 'jizya' as well.

### Jizya

The financial tribute doctrinally demanded and historically collected from conquered Infidels.

### Hadith

Narrative record of the sayings and customs of Muhammad. These traditions carry the same weight as the Quran, but are followed more closely.

**Pray for our leaders facing local, state, and national challenges in legislation, leadership, law enforcement, and lawsuits regarding Islam and its increasing impact on our nation. Ask God to give an extra measure of wisdom about immigration to all those in authority. Pray Titus 1:15. *To the pure all things are pure, but to those who are defiled and unbelieving nothing is pure; but even their mind and conscience are defiled.***

## How is Islamic law creeping into America?

How is Islamic law creeping into America? In a word—gradually. “Gradualism is an intelligent form of jihad based on pragmatism, patience, long-term planning and self-evaluation,” reports Meira Svirsky of the [Clarion Project](#). Gradualism is the key in infiltrating and transforming western societies into Islamic societies. Patience. Planning. Plotting. **Hijra** is a core part of jihad; it is the practice of Islamic conquest through migration.

In 2004, the FBI seized a Muslim Brotherhood [strategy document](#) that describes its “work in America as a kind of grand jihad in eliminating and destroying Western civilization within.” It is their systematic plan, and immigration as jihad is one means to accomplish their goal.

**These are their words. Their plan. And we should believe them.**

### Immigration as Jihad

#### INFILTRATION

- Migration to "host" country
- Appeal for refugee status
- Portray Islam as peaceful
- **Portray Muslims as victims**
- Produce large families
- Plant mosques and schools

#### EMBED

- **Calls to criminalize “Islamophobia” as a hate crime**
- Threaten legal action for perceived discrimination
- Offers of “interfaith dialogue” to indoctrinate

#### CONSOLIDATION OF POWER

- Attempts to indoctrinate children
- Revise Islamic history and terms
- Recruit and indoctrinate
- Training camps for terror
- **Push for Sharia in pockets**

#### CULTURE WAR

- Undermine host country's laws
- Acts of violence to intimidate
- Defiance of host country's laws and culture
- Dissenters silenced or killed
- **Increase of power in public office and social standing**

#### DOMINATION

## Is Sharia Law compatible with our Constitution?

Dr. Irwin Lutzer reported, in his book *The Cross in the Shadow of the Crescent*, about a Muslim demonstrator in Dearborn, Michigan, holding a sign stating: **“We will use the freedoms of the Constitution to destroy the Constitution!”** It seems wise for Americans to heed this warning. **Pray that we do!**

Andrew McCarthy, Senior Fellow at the National Review Institute, writes “Sharia rejects freedom of speech as much as freedom of religion. It rejects the idea of equal rights between men and women as much as between Muslim and non-Muslim. It brooks no separation between spiritual life and civil society. It is a comprehensive framework for human life, dictating matters of government, economy, and combat, along with personal behavior such as contact between the sexes and personal hygiene. Sharia aims to rule both believers and non-believers, and it affirmatively sanctions jihad in order to do so.” **Sharia is not compatible with the Constitution** because it not only rescinds rights guaranteed by our founding documents, but also imposes the laws of Sharia on those OUTSIDE of Islam. Allowing freedom to practice Sharia in pockets of American Islamic communities is anti-Constitutional, creating a parallel sovereign government within our own nation.

### The First Amendment is key

One of the most obvious sticking points between Sharia and the Constitution is the First Amendment guarantee of free speech. Sharia law restricts speech and grants no freedoms. The Organization of Islamic Cooperation passed the “Cairo Declaration on Human Rights in Islam” which clearly defined Sharia practices as supreme—and for today. At the top of the list was censoring free speech regarding Islam and the death penalty for those leaving Islam. As a result, Sharia cannot coexist with American values, laws, and rights. Further, allowing some aspects of Sharia is dangerous—why would we want that contradictory lack of freedom to grow in our nation?

Sharia law does not allow the practice of other religions—no permission to propagate faith, nor to display symbols of other faiths. Under Sharia in America, there would be no crosses on churches, no freedom to share the Gospel, and no right to believe in anything but Islam. **Pray for the protection of our First Amendment in our nation.**

Clear contradictions also exist in Sharia Law to the Second, Third, Fourth, Fifth, Sixth, Eighth, 13th, 14th, 16th, 18th, 19th, and 21st Amendments of our Constitution.

When Rep. Keith Ellison from Minnesota was sworn into office as the first Muslim-American in Congress, he chose to take his oath of office not on the Bible, which is traditionally used, but instead he put his hand on a Quran. It is ironic, disturbing, and dangerous that the very book he swore his oath upon is contrary to the Constitution, which he swore to uphold. **Newly elected NYC Mayor Zohran Mamdani also did the same.**

President Dwight D. Eisenhower described a similar danger in his time. “The Bill of Rights contains no grant of privilege for a group of people to destroy the Bill of Rights. A group ... dedicated to the ultimate destruction of all civil liberties, cannot be allowed to claim civil liberties as its privileged sanctuary from which to carry on subversion of the government.”

Our laws are being challenged locally and nationally, and new laws are being proposed with the intent of making subtle but critical changes in law enforcement, public safety, and workplace regulations and standards. These sought changes have the effect of promoting Islam, and possibly weakening our legal system for the future.

### **Here are some examples:**

- Removing Muslim and Islamic descriptors from law enforcement perpetrator reports and public safety bulletins
- Designated places for Islamic prayer in public facilities and buildings
- Exceptions and accommodations for headcoverings in airport and public facilities safety protocols
- Dietary changes to reflect preferences and observances of Muslims in jails, schools, and other public government buildings

## Islamic Leadership on the Ballots

42 Muslims were recently elected in 2025. Some states are not only seeing more Muslims representing their ideology in government, but also legislative referendums and laws for Sharia communities and enclaves, which contradict our founding documents. **Pray** about the increasing number of observant Muslims becoming involved in all levels of government in the U.S. **Pray** that motives, allegiances, and true intentions would be revealed. **Pray Matthew 10:16:** *Behold, I send you out as sheep in the midst of wolves. Therefore be wise as serpents and harmless as doves* and **pray Zechariah 10:2:** *For the idols speak delusion; The diviners envision lies, And tell false dreams; They comfort in vain. Therefore the people wend their way like sheep; They are in trouble because there is no shepherd.*

In 2006, **Keith Ellison** (pictured left) became the first Muslim-American elected to serve in Congress, representing Minnesota's 5th District. In the 2022 midterm elections, a record number of Muslims were elected to office in America — 82 Muslim candidates won local, state, federal, and judicial seats in 25 states. CAIR National Executive Director Nihad Awad said "these newly-elected officials are building upon the success of our community's decades-long investment in civic engagement, voter registration and running for office." Ellison now serves as the Attorney General of Minnesota. He took his oath of office on the Quran.

**Lateefah Simon's** recent victory in California's 12th district marks her as the first Muslim Congressional leader from the state, bringing the total to four Muslims serving in the 119th Congress as of January 2025. A Democrat and native of the Bay Area, Simon succeeded Barbara Lee in a progressive district that includes Oakland and Berkeley.

**Ilhan Omar** (pictured left), who ascended to the seat vacated by fellow Muslim Keith Ellison, was elected with 78% of the vote and re-elected with 74% of the vote. Omar is radical — she recommended reducing sentences for convicted ISIS members in Minnesota, asking the judge for “compassion.” In addition to the immigration marriage to her brother, Omar is unapologetically pro-Sharia, pro-female genital mutilation, pro-CAIR, and anti-Israel. She is one of the first two Muslim women in Congress and the first to wear a hijab on the House floor. She is pro-BDS and favors a one-state solution for Palestine, not Israel. Her tweet below is consistent with her views.

**Ilhan Omar** ✓

...

Declaring a holy war on national tv and calling to "level" a civilian population is over 2 million is dangerous and insane. Someone please ask Republicans if they will condemn these repugnant remarks.

**Lindsey Graham** ✨ @LindseyGrahamSC · Oct 10

We're in a religious war and I unapologetically Stand with Israel.

# Islam and the Spirit Behind It

**Rashida Tlaib**, (*pictured left*) now representing the 13th District of Michigan, and Omar, left, are the first Muslim women serving in Congress. Tlaib rose to media fame with her expletive tirade against President Trump during an official event, cheered on by celebrities and liberal pundits. Tlaib is on a crusade to equate the “rights” of Palestine and Muslims with the civil rights fight of the 1960s. She is also a member of the Democratic Socialists of America and has been named to the powerful House Oversight Committee. Her views are similar to Omar— anti-Israel, pro-Palestine, and, in addition, Tlaib is also a member of the Holocaust-denier group Palestinian American Congress.

**André Carson** (*pictured left*) was the second Muslim elected to Congress and represents Indiana’s 7th District. Raised Southern Baptist, he converted to Islam as a teenager. Carson views the war in Israel as a conflict among equals – equal states and equal blame. He posted, “To achieve this peace, the US must rededicate ourselves and our resources to a real two-state solution, and call for the end of Israel's unfair, two-tiered rule over the Palestinian people. This includes concrete steps to preserve the future of a Palestinian state.”

## Pray about Congressional Decisions

NATIONAL SECURITY

### US Taxpayers Sent More Than \$400 Million to Gaza Since Hamas Takeover

Hamas fighters in Gaza City (Getty Images)

Rep. Alexandria Ocasio-Cortez @RepAOC · 21h

The United States' responsibility is to human rights. That means supporting the safety of the Israeli people and preventing the ethnic cleansing of Palestinians.

## Prayer Points

- Pray that people’s eyes would be opened to the alliances, views, and associations of the members of Congress whose beliefs are fundamentally at odds with the Constitution.
- Pray that their influence would wane in Congress, their states, and our nation.
- Pray that views that are incompatible with the Constitution would be thwarted.
- Pray that taxpayer dollars would not be used for funding terror, Islamic ideology, and antisemitism.

# Radical Islamic Groups in America

### Prayer Focus:

Pray about the groups who are infiltrating our American system for the furtherance of Islam. Pray for wisdom, revelation of agendas, and for protection from their plans. We know that we do not wrestle against flesh and blood but against spiritual forces of darkness.

*They all plotted together to come and fight against Jerusalem and stir up trouble against it. But we prayed to our God and posted a guard day and night to meet this threat (Nehemiah 4:8).*

### CAIR

The Council on American-Islamic Relations (CAIR) is a lobbying and advocacy group with a mission to advocate for justice for Muslims and empower American Muslims. Former chief of the FBI's counterterrorism section, Oliver Revell, links CAIR to Islamic Association of Palestine, a front group for the designated, state-sponsored terror group HAMAS. After the October 2023 Hamas terror attack on Israel, CAIR condemned Israel. Leaders of this organization, both in the past and recently, have given credence, funding, and allegiance to HAMAS. Still welcome on campuses and covered by media as a legitimate voice, CAIR has inserted itself into our national political and social system, representing not America, but HAMAS, Palestine and their extremist views. **Nihad Awad is the President of CAIR. National Board Chair for CAIR is Dr. Manal Fakhoury.**

### Muslim Brotherhood and its satellites

The Muslim Brotherhood (MB) is the father of groups such as Al Qaeda, ISIS, and others. The “jihadi” groups spawned from Muslim Brotherhood may be more well known, but behind them is the Muslim Brotherhood. With ties across the world, and cooperation among multiple regional Islam terror organizations, the Muslim Brotherhood is active in America as well. **The Muslim Brotherhood’s master plan for domination in North America is entitled The Project.** According to the State Department, which provided this document in the Holy Land Foundation trial, it is a comprehensive plan, charting the groundwork of jihadists for establishing an Islamic government in North America. Their organizational chart shows many connected groups promoting Islamic influence in America.

Throughout the U.S. government, there are officials who accept the Muslim Brotherhood as a valid organization, sympathize with their beliefs, and oppose Israel at all costs because of the influence of the MB. Judicial Watch published a study that shows many documented instances where U.S. officials, under the direction of then-FBI Director Robert Mueller, purposely purged or altered information that labeled, tagged, or indicated Muslim involvement in terror activities.

### Other groups with ties to Muslim Brotherhood that should be placed on the radar are:

Muslim American Society  
Islamic Society of North America (ISNA) and ADAMS Center  
Holyland Foundation  
Muslim Public Affairs Council  
American Muslim Civic Leadership Institute  
JetPAC

# The Sharia Plan for America

### Prayer Focus:

Pray about the groups who are infiltrating our American system for the furtherance of Islam. Pray for wisdom, revelation of agendas, and for protection from their plans. We know that we do not wrestle against flesh and blood but against spiritual forces of darkness.

*They all plotted together to come and fight against Jerusalem and stir up trouble against it. But we prayed to our God and posted a guard day and night to meet this threat (Nehemiah 4:8).*

Prior to his arrest in August of 2013, Mohamed Badie, former Supreme Guide of the Muslim Brotherhood worldwide, outlined the **six phases of the Brotherhood's plans to rule the world**:

- 1 Sharia over the individual
- 2 Sharia over the family
- 3 Sharia over the society
- 4 Sharia over the government
- 5 Resurrection of the Caliphate
- 6 Mastership of the world

When western public schools disallow Christian prayers and Christmas programs, yet embrace, allow, and encourage Islamic prayer and traditions, they are already operating under the influence of Islamic Sharia law.

If the Muslim Brotherhood is telling us that this is their plan, shouldn't we believe them?

States are moving to ban Sharia law in their states, but the courts are challenging some of these laws. Oklahoma's 2010 ballot ban naming Sharia was later blocked by federal courts as unconstitutional, and civil-liberties groups have continued to challenge similar measures.

**Texas is gearing up for a ballot initiative vote on March 3<sup>rd</sup> to either ban or keep the door open for Sharia in Texas.** This, while two huge Islamic communities are in the process of development in Texas that includes not only a mosque and school but also a community center and Islam-only housing. **Pray for Texas** and other states drawing a line in the sand about the invitation of Sharia into our communities, states, and nation.

**Pray for open eyes** for law enforcement and leaders in dealing with these groups that do not want to assimilate into America, but to transform it and master it for Allah.

# Islam is impacting our schools

One of the most pervasive areas of Islamic influence in our nation is education. Many, many schools today provide standardized educational requirements that include teaching an expanded unit on Islam. In fact, in many states, more than a week, sometimes two or three, are spent on learning the tenets of Islam, with activities including memorizing Quran passages, being able to list the five pillars of Islam, and the components of each pillar. "Access Islam," a program developed by the Department of Education, began in 2005 and was greatly expanded under the Obama Administration. This expanded teaching module on Islam amounts to "teaching a Sunday School class on Islam right in our public schools."

The lesson plans are written for grades 5 through 12. They include worksheets and videos to help students perform the 5 Pillars of Islam – prayer, fasting, alms giving, pilgrimage to Mecca, and the proclamation of Muslim faith. From Creeping Sharia: This short video contains excerpted clips taken from the "Access Islam" program which teaches children not just about Muslim prayer but how to perform it in great detail.

### Here are just a few examples of Islam in school:

**Friendswood Junior High School in Houston** had a mandatory Islamic Awareness activity that was led by CAIR members (an organization with known terror ties.) According to students, they were taught that "there is one God, his name is Allah" and that "Adam, Noah, and Jesus are prophets."

**Amherst Middle School in New Hampshire** transformed their town into a Saudi Arabian Bedouin tent community for a school project. Students were segregated by sex, where girls hosted hijab and veil stations. Boys, however, enjoyed food and Arabic dancing stations because, as the curriculum stated, "the traditions of Saudi Arabia at this time prevent women from participating in these public roles." Another hands-on activity was the "Islamic religion station" which featured a prayer rug, verses from the Quran, prayer items and a compass pointed towards Mecca. This was all paid for by public education funds.

In 1994 the Council on Islamic Education sought and secured a role in advising textbook publishers about educating American students about Islam. Our textbooks have been compromised with inaccuracies about Islam and its violent history such as Jihad redefined to remove violence. Treatment of women and children made more palatable. Western colonialism listed as just cause of wars involving Muslims through the ages. Houghton-Mifflin, Prentice Hall, Holt, Glencoe, and McDougal Little all changed their textbooks to propagate CAIR's messaging.

We all know that schools across our nation have stopped singing Christmas carols in music class and assemblies for fear of offending other religions. Many of these same schools introduce Islamic songs in their education modules. Why have we traded our Judeo-Christian heritage for a new preference of Islam? Please pray for open eyes as to what this embrace of Islam in our schools means in our culture. Pray for the return to teaching based on virtues found in Judeo-Christian foundations.

**Pray about the effect of Islam in our schools.**

**Pray that our students would be taught the truth about Islam.**

**Pray for biblically sound, historically accurate curriculum and standards.**

**Pray Psalm 44:20-21:** *If we had forgotten the name of our God, Or stretched out our hands to a foreign god, Would not God search this out? For He knows the secrets of the heart.*

## Not all unity is good

### The Washington Declaration

Penning in February 2018, The Washington Declaration is a profession of unity signed by over 400 members of Islamic, Christian, and Jewish faiths, embracing the same root, what they call “Abrahamic faiths.” The historical thread of this declaration traces back to the Medina Charter of the 7th Century. The Washington Declaration is the outcome of the work of the Islamic Alliance of Virtue for the Common Good, which was conceived in as an Islamic movement. ***What is The Alliance of Virtue?***

### The Alliance of Virtue for the Common Good

Originally founded as an Islamic movement, The Alliance of Virtue for the Common Good was repackaged in 2018 as a “global” version of this Islamic alliance. The Alliance of Virtue for the Common Good became a global initiative and was unveiled the day before the 2018 National Prayer Breakfast, along with The Washington Declaration. This new global body is tasked with implementing The Washington Declaration. The declaration calls for a global multi-religious body consisting of prominent religious figures to “support mediation and reconciliation.” This “partnership” of understanding and respect may appear to be a good thing. Looking deeper, and consulting experts on Islam, this is feared to be a Trojan horse or even a potential pathway to one-world religion. A key factor in questioning the sincerity and motive is the person behind the Islamic effort, Sheikh Abdullah Bin Bayyah, who approved a fatwah to kill Americans in Iraq and the destruction of Israel. The Alliance of Virtue was birthed out of The Marrakesh Declaration. ***What is in the Marrakesh Declaration?***

### The Marrakesh Declaration

In January 2016, The Marrakesh Declaration was unveiled as a recognition of the 1,400th anniversary of the Charter of Medina and the contract between Allah and Muhammad. Among other things it affirmed actions and attitudes befitting the Islamic faith, again, stating that “AFFIRM HEREBY that such cooperation must be based on a “Common Word,” requiring that such cooperation must go beyond mutual tolerance and respect, to providing full protection for the rights and liberties to all religious groups in a civilized manner that eschews coercion, bias, and arrogance. “It is all based on the concept of “A Common Word.” ***What is A Common Word?***

### “A Common Word”

One expert in the area of Islamic activity, Philip Haney, warned that the origin of the Alliance of Virtue can be traced back to “A Common Word,” a 2009 open letter from the Islamic community to the Pope and other Christian leaders. According to those familiar with Quranic verses and the Islamic culture and language, there is more than meets the eye to this seemingly “olive branch” open letter. “In full context [of the open letter, A Common Word], it is clear that this section of the Quran, including 3:64, **is a condemnation of Christianity and Judaism and a call for conversion.** Why would this verse be included in a call for peace and understanding between Islam and Christianity? The authors and signatories of this letter are among the most learned scholars of Islam in the world. They know the context of 3:64 and its true message, which is exactly why they included it. **This letter is not a call for peace. It is a call for conversion.**”

**Pray** for discernment and wisdom to understand what is going on behind the headlines and in the alliances being paraded in the news. **Pray** about ecumenical movements that sacrifice truth for the illusion of unity. **Pray** for discernment, wisdom, and revelation for churches, pastors, and Christians. **Pray** for open eyes concerning groups that appear to be seeking goodwill, but are actually opposed to the true, biblical Jesus. **Ask God** to unravel these alliances and break the power they have over our nation. **Click here to pray Psalm 12.**

## A Biblical Rivalry Exists Today

Although Abraham had been promised that his descendants would be as numerous as the stars of heaven (Gen. 15:5), Sarah was not able to bear him a child, not trusting God, took matters into her own hands and came up with the idea of making her maid, an Egyptian named Hagar, a surrogate for her husband. Unfortunately, Abraham heeded his wife's advice. Outside of God's provision and plan, Hagar conceived (Gen. 16:1-2).

Author Herbert Lockyer observes, "Little did Sarah know, when she persuaded Abraham to take Hagar, that she was originating a rivalry which has seen the keenest strife through the ages, and which oceans of blood have not stopped." Once Hagar had conceived, she was proud to be pregnant while Sarah was barren. Sarah, with Abraham's approval, "dealt harshly" with Hagar, forcing her to flee into the wilderness. But God assured her that He would also multiply her descendants so that they could not be counted (Gen. 16:3-10). She was instructed to call her son Ishmael, "whom God hears." This is the prophecy regarding Ishmael:

*"He shall be a wild man;  
His hand shall be against every man,  
And every man's hand against him,  
And he shall dwell in the presence of all his brethren."  
(Gen. 16:12)*

Pastor James L. Garlow observes, "The offspring of Abraham is the focal point of the current conflict. The ongoing struggle in the Middle East is a direct result of the animosity between the descendants of Ishmael and Isaac. While there is no record of Ishmael and Isaac ever fighting each other, Genesis does record God's prophecy regarding Ishmael; will be against everyone, and everyone will be against him (Gen. 16:12 TEV). Today's struggle is between those who call themselves the descendants of Ishmael and those who call themselves descendants of Isaac. The intense struggle in Israel and the surrounding Arab nations can only be understood historically as a struggle between the descendants of two brothers who lived four thousand years ago: Ishmael (modern-day Arabs) and Isaac (the Jews)."

**Pray for Muslims, those descendants of Ishmael—who were a result of Sarah not trusting in God's promises. Pray that today's Muslims, deceived by the spirit of Islam, would be grafted back into the family line, through saving faith in Christ. Pray that they, like Hagar, would hear God's voice and that they would trust in Jesus.**

- Pray for Muslims to come to faith in Christ.
- Pray that they would be drawn to the Father and accept Christ as Savior, Redeemer, and Lord.
- Pray that instead of America embracing the false religion and ideology of Islam and the political system of Sharia, that Muslims would instead be changed by hearing the gospel, being confronted with the truth of who Christ really is.
- Pray for mercy for our nation, for open eyes for the Church, and for courage in this late hour to stand firm.

*For it pleased the Father that in Him all the fullness should dwell, and by Him to reconcile all things to Himself, by Him, whether things on earth or things in heaven, having made peace through the blood of His cross. (Col. 1:19-20).*

## Putting Action to Your Prayer

- Pray Scriptures over Muslims in your neighborhood or schools, by name, claiming them for Christ.
- Using wisdom, prayer walk your community, proclaiming the Word of God over your town, and claim authority for Christ.
- Join in the 30 Days of Prayer for the Muslim World prayer effort during Ramadan, praying for Muslims to discover Christ during their fast.
- Consider supporting or volunteering with a Christian organization that shares the gospel with Muslims.
- Become educated about your local candidates—understand what values they represent.
- Commit to pray for elected officials to be wise and discerning in legislating. Message them through IFA's Capitol Connections campaign or message them directly.
- Pray for the state and federal Departments of Education, textbook publishers, state governments, and local school boards to educate students about truth, rather than indoctrinate students for Islam.
- Pray for pastors, ministry leaders, and other believers to increase effective outreach to Muslims in love without sacrificing truth. Pray pastors would not embrace Islam for the sake of “unity.”
- Pray for law enforcement who see trends, get tips, follow leads, and make arrests in terrorism cases.
- Pray for those in your state who are sounding the alarm about the ideology of Islam and its dangers. Front line speakers and movement leaders need our prayer and encouragement.
- Share this report with others in your church or small group so that they may be well-informed to pray about Islam and for the hearts of Muslims.
- Speak out when you can about issues that compromise truth in our nation—in schools, communities, and in our nation. It is not bigotry to speak the truth and defend our Constitution.
- Read a biography of an ex-Muslim Christian to learn their conversion story and pray for more conversions.
- Pray for the release of Muslims from the captivity of Islam and into the loving arms of Jesus.
- Consider attending a board of supervisors meeting or planning commission meeting for your community. You may find out things that are in the works that is concerning and needs prayer or a voice of truth.
- Pray that God would give you understanding and equip you to step out and take action along with your prayer on this topic. Ask God for direction on how to continue to pray and engage, guided by His Spirit.
- Look for an anti-Sharia movement in your state. Search for a way to help.
- Is there anti-Sharia legislation being drafted in your state or city? Find out who is sponsoring it and pray for them, message them with your support, and inform other intercessors.

**List other ideas below that you have for taking action against growing Sharia in our nation.**

*Or do you show contempt for the riches of his kindness, forbearance and patience, not realizing that God's kindness is intended to lead you to repentance?*

—Romans 2:4

## Specific Daily Prayer

### Day 13: Pray scripture about the Spiritual Battle

As you begin this section of praying specifically for the various areas of battle, arm yourself by understanding the root of the battle against Sharia is spiritual. There are many verses in the Bible that highlight the spiritual nature of evil we face. Read through each of the following passages, make note of your impressions in the space below.

Pray for open eyes to see the spiritual battle underneath the push for Sharia and Islamic control.

Pray for spiritual protection for yourself and others who are standing up against Sharia.

Read and pray through Ephesians 6 for the full armor of God, that gives us spiritual protection and tools for the spiritual battle.

- 1 Timothy 2:1–4 — “I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people—for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. This is good, and pleases God our Savior, who wants all people to be saved and to come to a knowledge of the truth.”
- Ephesians 6:10–12 — “Finally, be strong in the Lord and in his mighty power. Put on the full armor of God, so that you can take your stand against the devil’s schemes. For our struggle is not against flesh and blood, but against... the spiritual forces of evil...”
- Joshua 1:9 — “Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God will be with you wherever you go.”
- Psalm 91:1–4 — “Whoever dwells in the shelter of the Most High will rest in the shadow of the Almighty... He will cover you with his feathers, and under his wings you will find refuge; his faithfulness will be your shield and rampart.”
- 2 Corinthians 10:3–5 — “For though we live in the world, we do not wage war as the world does. The weapons we fight with are not the weapons of the world. On the contrary, they have divine power to demolish strongholds. We demolish arguments and every pretension that sets itself up against the knowledge of God, and we take captive every thought to make it obedient to Christ.”
- Psalm 91:9–11 — “If you say, ‘The Lord is my refuge,’ and you make the Most High your dwelling, no harm will overtake you, no disaster will come near your tent. For he will command his angels concerning you to guard you in all your ways.”
- Isaiah 54:17 — “No weapon forged against you will prevail, and you will refute every tongue that accuses you. This is the heritage of the servants of the Lord, and this is their vindication from me,” declares the Lord.

***Lord, as I continue to pray specifically about the ways in which Islam is pushing Sharia into our nation at every level, I pray that I have eyes to see the spiritual battle that is underneath it all. I put on the armor of God as you direct in Ephesians 6, and I commit to do that daily as I wage spiritual war through prayer and action for the protection of our nation. Give me courage and discernment as I pray.***

# Islam and the Spirit Behind It: Days 14-15

## Day 14: Pray for Truth

**Part of the battle against Sharia and Islam is the battle of truth vs. deception. Many are deceived about the “peaceful religion” Islam is portrayed to be. Today, pray to unleash the spirit of truth on your neighborhood, community, state, and our nation. Take captive the deception that is being sown that blinds many people to the danger of Islam.**

Pray against the spirit of deception, binding it in Jesus’ name and commanding it to release its hold over minds, institutions, and media.

Pray for the Spirit of Truth (Holy Spirit) to flood our nation, convicting the hearts of leaders and citizens of truth, and exposing the lies of Islam.

- Ephesians 4:25—Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another.
- Proverbs 16:13—Righteous lips are the delight of a king, and he loves him who speaks what is right.
- Romans 12:21 — Do not be overcome by evil, but overcome evil with good.

***Lord I ask that truth would be evident to all in this battle. I pray for the veil of deception to fall, and for truth to boldly be spoken and recognized. I personally commit to speak truth on this issue to those in my family, neighborhood, church, and community. I pray that the truth would begin to set people free from this bondage.***

## Day 15: Pray for Judges & Legislators (Federal, State, and Local)

**Pray specifically for those who have the authority to draft legislation to protect our communities and state from Sharia and Islamic influence, and for the judges that can rule justly on legal challenges.**

Pray for divine wisdom and discernment to interpret and apply the Constitution faithfully, rejecting any legal theories or pressures that would undermine constitutional principles or introduce Sharia-influenced rulings.

Pray for boldness to draft, sponsor, and vote for laws that protect constitutional rights, religious liberty, and freedom from foreign legal systems like Sharia.

Pray for courage to stand against intimidation, threats, or compromise, and for protection from physical, legal, or professional retaliation.

Pray they would be instruments of righteousness and justice in the courts.

Pray about those Islamists who are in judicial and legislative office, that their influence and voice would be muted.

- James 1:5 — “If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.”
- Proverbs 21:3— “To do what is right and just is more acceptable to the Lord than sacrifice.”
- Isaiah 33:22 — “For the Lord is our judge, the Lord is our lawgiver, the Lord is our king; it is he who will save us.”

***I lift to you all the legislators and judges who have the power to legislate and rule on this issue. I pray you would enable the government to be an instrument of protection against Islam which is counter to our Constitution, Give them the soberness of mind to recognize they are able to protect our communities, state, and nation against plans of evil. I pray that legislators and judges at every level would seek godly wisdom for their work. Give them courage to do what is right.***

# Islam and the Spirit Behind It: Days 16-17

## Day 16: Pray for Local Officials, Town Councils, Planning Commission, and Aldermen

**Pray for those in local governments in every nook and cranny. Often, Islam and other evils can get a foothold in local government before winning a statewide election or referendum. Pray that this evil stops at the very base level of your government.**

Pray for wisdom in local decisions that preserve constitutional governance and prevent any encroachment of Sharia-compliant practices in zoning, ordinances, or public policy.

Pray for protection from community pressure or threats, and for favor with constituents so they can lead with integrity. Pray for courage against intimidation.

Pray they would be watchmen over their communities, guarding against subtle erosions of freedom.

- Ephesians 4:25—Therefore, having put away falsehood, let each one of you speak the truth with his neighbor, for we are members one of another.
- Proverbs 16:13—Righteous lips are the delight of a king, and he loves him who speaks what is right.
- Romans 12:21 — Do not be overcome by evil, but overcome evil with good.

***Lord, I am praying for all those in my local government. As these fellow citizens serve--many part-time, I ask that you would give them great wisdom, courage, and strength to make decisions to thwart the advance of Sharia. I pray that these seats would be filled by those who do not have an agenda to further Islam.***

## Day 17: Pray for Administrators, Teachers, and School Boards

**Pray specifically for those who have the authority to determine what comes into our schools, and for those who are part of the education system. One of the ways Islam is sneaking in is through multicultural exploration. In many cases, biblical Christianity is kept at arm's length, but learning about Islam and celebrating its tenets is portrayed as geographic and multicultural education and embraced. Some in education are not aware what they are enabling when they develop, lead, or participate in this curriculum.**

Pray for courage to protect curriculum, policies, and classroom environments from ideologies or pressures that conflict with constitutional values or promote Sharia-influenced teachings.

Pray for wisdom to teach truth, history, and civics accurately, and for protection from censorship, retaliation, or forced compliance.

Pray that parents and students would be strengthened, and that schools would remain places of freedom and open inquiry.

- Proverbs 22:6 — “Start children off on the way they should go, and even when they are old they will not turn from it.”
- Deuteronomy 6:6–7 — “These commandments... Impress them on your children. Talk about them when you sit at home and when you walk along the road...”
- Daniel 1:17— “To these four young men God gave knowledge and understanding of all kinds of literature and learning.”

***I pray for those who are on the front lines of education. I pray that no Islamic study would enter our schools to indoctrinate either students or teachers. I join my voice with others to pray for wisdom and discernment for those who determine what students are exposed to. Give them courage to speak out against harmful teachings that embrace false gods and narratives that glorify Sharia and Islam.***

# Islam and the Spirit Behind It: Day 18

## Day 18: Pray for Businesses and Business Leaders

Businesses are often a reflection of the culture in the community. There can be pressure on businesses to support or fund efforts that embrace ideologies that we as Christians know are harmful. They also can fall prey to boycotts, threats and intimidation. Today we will pray over businesses in your community and state. It is another avenue for Islam and Sharia to weave its way into our nation. Halal is just one avenue.

Halal is a practice that can appear similar to religious purity in food preparation, like Kosher, but it is not. For one thing, Kosher-adherence is for Jews only--they don't impose their Kosher practices on others. Halal is *more* than a food preparation code, and Islamists insist on Halal being integrated everywhere they can. Halal means "permissible," meaning permissible in Sharia. It is a ritualistic religious practice.

Here are a few things it involves for meat:

- The slaughter of animals must face Mecca
- There is a required Islamic prayer during sacrifice: "Bismillah Allahu Akbar" (In the name of Allah, Allah is the greatest)
- There is a special method of cutting the throat, windpipe, and esophagus of the animal that is designed to be slow and signifying submission
- Pain mitigation for the animal such as stunning or quick death is forbidden under Islamic law

Halal certification is growing and you may be served Halal food with Halal practices and processes because it is easier for business to use Halal for everyone than to have two systems of food prep and more. The whole system of Halal determines that every contribution to every part of the food prep from food source to silverware to dishwashing to serving all align with Sharia. THIS is what is facing our businesses across our communities and nation.

Pray for boldness to operate with integrity, resist pressure to conform to ideologies contrary to constitutional freedoms, and support policies that protect religious liberty and free enterprise.

Pray for protection from economic coercion, boycotts, or legal threats aimed at silencing them.

Pray they would use their influence and resources to uphold truth and justice in the marketplace.

Pray that God would expose and disrupt any businesses or corporations being used to fund, promote, or normalize Sharia-compliant practices or radical Islamic agendas in our economy.

Pray for divine discernment for Christian and patriotic business leaders to reject partnerships, investments, or certifications that advance these efforts.

Pray for economic pressure or loss of favor on entities that compromise constitutional values for profit.

- Proverbs 15:3 — "The eyes of the Lord are everywhere, keeping watch on the wicked and the good."
- Psalm 37:12-13 — "The wicked plot against the righteous and gnash their teeth at them; but the Lord laughs at the wicked, for he knows their day is coming."
- Proverbs 11:1 — "The Lord detests dishonest scales, but accurate weights find favor with him."
- Colossians 3:23 — "Whatever you do, work at it with all your heart, as working for the Lord, not for human masters."

*Father, I pray about the sneaky ways Islam is working its way into so many parts of our daily lives. I lift to you businesses that are being pressured to incorporate Halal and many other Sharia-compliant practices. May there be fewer pro-Sharia businesses spring up in my state, and may more businesses refuse to participate in Sharia practices. I pray against any plan of the enemy to harm those businesses that stand firm against Sharia. I pray that boycotts, legal threats, and legislation in efforts to force Sharia upon them would fail.*

# Islam and the Spirit Behind It: Days 19-20

## Day 19: Pray for Law Enforcement (Local, State & Federal)

**Lift up every level of law enforcement in your community, state, and our nation. They are front lines to enforcing our laws. They need courage to do their jobs in the face of pressure.**

Pray for protection over their lives and families as they enforce laws rooted in the Constitution.

Pray for discernment to uphold justice impartially, and for courage to resist any directives or influences that would subvert constitutional rights.

Pray for a hedge of protection around vulnerable targets (schools, churches, public gatherings, Israel, Western nations, and persecuted Christians/Muslims).

Pray against the expansion of Jihad, chaos, and violence, and for peace to reign in cities, states, and our nation.

Pray for unity, morale, and divine favor in law enforcement ranks.

- Romans 13:4 — “For the one in authority is God’s servant for your good. But if you do wrong, be afraid, for rulers do not bear the sword for no reason.”
- Psalm 82:3–4 — “Defend the weak and the fatherless; uphold the cause of the poor and the oppressed. Rescue the weak and the needy...”

***I lift up all those involved in any stage of law enforcement in my community, state, and our nation. Give them the courage to do their jobs enforcing our laws. I pray that they would be especially wise to the plans of those who seek to inflict terror and jihad in our nation. Give them the ability to apprehend chaos and bring order.***

## Day 20: Pray for Medical Professionals & Healthcare

**You may not think of healthcare as being impacted by Sharia, but it is. It is one of the most trusted and easy entry points for Sharia to entrench itself in our country. By building parallel systems, there is growing institutional control, siphoning of financial resources, and further building a separate political society within our nation. Pray about the influence of Sharia on our community and state healthcare systems.**

Pray for wisdom and conscience within the medical community with no dual Sharia political system. These would conflict with the Constitution, religious freedom, or biblical principles.

Pray for protection from allowing female genital mutilation in our nation in this Sharia medical system.

Pray they would be agents of healing and compassion in a pressured environment, and there would not be rejection of treatment for beliefs.

- Exodus 15:26 — “...I am the Lord, who heals you.”
- Luke 4:18 — “The Spirit of the Lord is on me... to proclaim freedom for the prisoners... to set the oppressed free.”

***I pray for those who are on the front lines of healthcare. I pray that no Islamic system would infiltrate our American healthcare. I declare God’s hand of protection against the creep of Sharia into community health care clinics, all the way to building large-scale Sharia healthcare systems. God, protect our front lines of care from preferential care based on Sharia. I pray that plans to institute Sharia healthcare and Sharia medical practices in my state and other states would fail.***

# Islam and the Spirit Behind It: Days 21-22

## Day 21: Pray for Churches and Pastors

**Pray for pastors and churches to speak the truth about Islam. There are many verses in the bible about truth and acting against evil. We need our pastors and churches and Christian leaders leading the charge in revealing truth on this issue and educating their flocks about the deception that is growing.**

Pray for boldness to preach truth without compromise, and for courage to speak against allowing Sharia, which is not only incompatible with our nation's Constitution but also does not tolerate the religious freedom of others.

Pray for protection from legal, cultural, or spiritual attacks aimed at silencing the church's voice.

Pray for Christians and faith leaders to engage in organized efforts to reveal the true nature of Sharia.

Pray for salvation of muslims encounters with Jesus (as many former radicals have testified), for hearts to turn from violence to the Prince of Peace.

Pray for dreams, visions, and supernatural interventions that lead to conversion.

Pray for unity among believers and action of the church to protect our nation from this harm.

- Acts 4:29–31 — “Now, Lord, consider their threats and enable your servants to speak your word with great boldness... After they prayed, the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly.”
- 1 Peter 5:2–3 — “Be shepherds of God's flock... not lording it over those entrusted to you, but being examples to the flock.”

***Father, I pray today for my pastor and leaders and church. Give them supernatural insight for truth on this issue and supernatural boldness to speak up. May we not be as the German church in the face of growing evil in the 1930s but may pastors and churches spearhead the sharing of truth and standing up for its protection.***

## Day 22: Pray for Organizations and Policy Groups

**Sharia is growing in large part due to the organized work of many Islamic organizations that fund, pioneer, strategize, coalesce, gather, and indoctrinate. We want to pray against those groups' effectiveness and pray FOR the effectiveness and protection of those organizations who are working to stop Sharia.**

Pray against the effectiveness of groups and organizations that are pushing Sharia or working to advance Islamism in American communities.

Pray for God to expose and dismantle any false narrative in groups that present Sharia as a civil right or religious freedom issue, revealing its incompatibility with American constitutional liberty and equality.

Pray for protection from legal harassment, disinformation campaigns, or internal division for those pushing back against Sharia.

Pray that the work of pro-America organizations and efforts to rebuff Sharia would bear lasting fruit and influence policy for righteousness. Pray for clarity of vision, strategy, provision, and communication.

- Psalm 127:1 — “Unless the Lord builds the house, the builders labor in vain.”
- Isaiah 54:17 — “No weapon forged against you will prevail, and you will refute every tongue that accuses you.”

***I pray for those who are on the front lines of fighting Sharia in our nation. Give them all the resources, wisdom, and personnel they need to fight this battle against evil. I also ask that you cause confusion and dry up the resources of those groups that are pushing the Sharia agenda. Make them ineffective.***

# Islam and the Spirit Behind It: Days 23-24

## Day 23: Pray against Sharia funding sources

**There is international money flowing into our nation (and American tax dollars as we have seen in Minnesota lately) that is funding this Sharia movement. Appeal to God about the flow of Sharia resources.**

Pray for God to cut off, dry up, and redirect the flow of funds (domestic and foreign) that support organizations, mosques, legal groups, or media promoting Sharia and Islam.

Pray for whistleblowers, audits, investigations, and legal actions to reveal hidden donors and money trails.

Pray that those who finance these efforts would face conviction, financial reversal, or divine judgment leading to repentance.

- Psalm 140:8— “Do not grant the wicked their desires, Lord; do not let their plans succeed or they will become proud.”
- Haggai 1:9 — “You expected much, but see, it turned out to be little. What you brought home, I blew away. Why?” declares the Lord Almighty. “Because of my house, which remains a ruin, while each of you is busy with your own house.”

***God, I am appealing to you today that you would dry up the resources for the organizations, people, and businesses pushing Sharia. Tie up funds, bring about losses, expose illegal funding, bring financial withering.***

## Day 24: Pray against communication, media in pro-Sharia efforts

**Pray against the communication and media efforts to propel Sharia. That means to confound the plans of the enemy to communicate and message. The media and slick pro-Sharia groups work hard to make Sharia appear non-threatening and palatable, and that those against it are bigoted and Islamophobic. Pray against this messaging and all they share that deceives what Islamic groups are working toward.**

Pray for confusion, division, and breakdown in the communication networks, media campaigns, social media strategies, and public relations that advance Sharia normalization or radical Islamic narratives.

Pray for truth to prevail in public discourse, for lies to be exposed, and for alternative voices of freedom and constitutional truth to be amplified.

Pray for protection over journalists, bloggers, and speakers who expose Sharia and Islamic efforts.

Pray for those media who misrepresent Sharia in their reporting to be exposed and ineffective.

- Psalm 64:2–4— “Hide me from the conspiracy of the wicked, from the plots of evildoers... They sharpen their tongues like swords and aim cruel words like deadly arrows.”
- Isaiah 54:17 — No weapon (including words of accusation or propaganda) will prevail.

***Lord, I pray today that all those efforts to package Sharia as non-threatening and normal would fail. I pray that communications plans would be off-base and ineffective. I ask that you would dry up those in the media who are willing to champion Sharia and Islamism. I pray for those who report news to have their eyes opened to what is happening with growing Sharia, and those who are aware of Sharia's danger would have a bigger platform to share truth. I pray for protection for those speaking out publicly: physically, for their properties and livelihoods; spiritually, for their families; and protect them spiritually.***

# Islam and the Spirit Behind It: Days 25-26

## Day 25: Pray about Collaboration between Islamic Groups and Terror Networks

**Behind the pro-Sharia movement are many organizations that are associated with the Muslim Brotherhood. Our prayer today focuses on praying against the cooperation and ties with terror.**

Pray that God would sow discord, mistrust, and division among groups collaborating to advance Sharia or radical Islam in the U.S.

Pray for every connection between domestic groups and terrorist organizations to be exposed, disrupted, and prosecuted.

Pray for divine protection over our nation and states from any planned or potential violence, and for law enforcement to receive supernatural intelligence and favor.

Pray for internal conflicts in these Islamic and terror groups to arise that hinder unified strategy and expose hidden motives.

- Genesis 11:7–8 — “Come, let us go down and confuse their language so they will not understand each other... So the Lord scattered them...” (prayer for confusion in wicked alliances).
- Psalm 55:9— “Lord, confuse the wicked, confound their speech, for I see violence and strife in the city.”
- Psalm 34:7 — “The angel of the Lord encamps around those who fear him, and he delivers them.”

***God, I am appealing to you today that you sever the pipeline of cooperation among Islamic terror groups and organizations in our nation pushing growth in America. We pray the sever***

## Day 26: Pray about connections with foreign governments

**Foreign governments are working within our own nation to advance their agendas through organizations, land and business purchases as well as embedding agents. Many of these Pro Sharia organizations have funding and influence streams back to Muslim majority countries. Pray about this pipeline to manipulate and shape our nation.**

Pray that foreign influence would be uncovered and cut off.

Pray for local and state governments to be discerning and to have courage to take action.

Ask God to protect your community and state from infiltration by Muslim majority nations that seek to conquer.

Pray for those organizations who misrepresent financial ties to foreign governments to be exposed and prosecuted..

- Isaiah 5:20— “Woe to those who call evil good and good evil, who put darkness for light and light for darkness, who put bitter for sweet and sweet for bitter!”
- 2 Thessalonians 3:3— But the Lord is faithful. He will establish you and guard you against the evil one.

***Father today I pray about the Islamic groups and mosques and harmful ties to foreign governments. You know hidden things Lord, I pray you bring it to light. We know there are so many influences in our nation pouring in resources and influence to achieve their own detrimental agenda with our America. Give wisdom to all those in authority who can expose and curtail it from happening.***

# Islam and the Spirit Behind It: Day 27

## Day 27: Pray against Sharia Strategic Land Acquisition, Infrastructure Infiltration, and Economic Warfare

**There are plans that have already been executed and more plans being made to acquire strategic land purchases--near military bases or critical infrastructure. These strategic infiltrations in our nation are being made to benefit the Sharia movement of global domination, not for the good of America. Your prayer, even about plans that are unknown to authorities, can thwart their execution.**

Pray that God would frustrate attempts to acquire land, build facilities, or embed into infrastructure roles in our nation.

Pray for zoning boards, local officials, and regulators to discern and block these efforts; pray for exposure of any stealth or deceptive acquisitions.

Pray for God to thwart or reverse any economic strategies designed to weaken our nation through boycotts, debanking, or financial pressure against those who speak out against Sharia or Islamic agendas.

Pray about pro-Sharia employees working at critical agencies in our communities who may make decisions in allegiance to Sharia instead of our nation and Constitution, from places like the DMV to energy facilities to airlines and more.

Pray about those plans that have already been put in motion, that the efforts they are making would be halted and that the pit they dig, they themselves would fall into, as scripture says.

- Nehemiah 2:20— “I answered them by saying, ‘The God of heaven will give us success; therefore we his servants will start rebuilding, but as for you, you have no share in Jerusalem or any claim or historic right to it.’”
- Psalm 127:1— “Unless the Lord builds the house, the builders labor in vain.”
- Deuteronomy 28:12–13— “The Lord will open the heavens... to send rain on your land... The Lord will make you the head, not the tail.” (prayer for blessing and reversal of curses).
- Be strong and courageous. Do not be frightened, and do not be dismayed, for the Lord your God is with you wherever you go.”
- Philippians 4:13—I can do all things through him who strengthens me
- Proverbs 26:27—Whoever digs a pit will fall into it, and a stone will come back on him who starts it rolling.

***Holy God, I lift up to you harmful plans made behind closed doors, plans with ill intent, plans to deceive or harm by Islamic proponents. I pray that any of these schemes to inflict injury on our nation or citizens through positioning themselves on strategic property, at sensitive locations, or in positions of impact, would be frustrated and fall apart. Alert those in authority to these harmful plans and give them the will and means to stop them. Open eyes of those who may not see the intent, or the greater harms that can come from the Sharia plan. We stand in authority in our own communities and state and declare this land, this infrastructure, this government belongs to the Lord God--the only true and living God!***

# Islam and the Spirit Behind It: Days 28

## Day 28: Pray against a spirit of fear and from a place of victory

**Do not be fearful! The enemy would want us to allow a spirit of fear to overtake our efforts and overwhelm us into inaction. While the battle is fierce, we can pray from a place of victory because we have authority and His power to move mountains, open eyes, demolish strongholds, and set captives free. We also must be aware of God's desire to unite His body in holding the ground for His Kingdom. Be watchful for any creeping self-focused agendas when working together. It is all about Him!**

Pray that God would bring partners together to achieve His purposes against Sharia. Pray for cooperation and humility among believers.

Pray for wisdom and discernment to the effort

Ask God to deliver you from a spirit of fear and instead replace it with confidence in Him and His power.

Thank God that He has given us authority to call on Him to do mighty things and we can walk in that assuredness that our authority comes from the only true God.

pray for strongholds to be broken, eyes to be opened, citizens to be awakened, believers to take action, and God to be glorified.

Pray a prayer of rededication of our founding principles back to Him.

Thank Him in advance for his great mercy for your city, state, and our nation.

- 2 Timothy 1:7—For God gave us a spirit not of fear but of power and love and self-control.
- Isaiah 41:10— Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.
- Psalm 34:4— Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.
- Romans 8:37—Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand.
- John 8:32—”And you will know the truth, and the truth will set you free.”
- Deuteronomy 31:6—Be strong and courageous. Do not fear or be in dread of them, for it is the Lord your God who goes with you. He will not leave you or forsake you.”.

***Lord, You alone are the one true and living God! As you have heard my prayer, added to the many others praying about the threat of Islam in our nation, I ask you for mercy for my community, my town, my state and our nation. I rededicate the founding principles from Your Word and divinely leading, to You once again. Thank you that you give me courage, and also that you have given me authority by your blood to pray for Your Presence to increase. I ask for a spirit of victory that comes from only you. May we as your body cooperate and humbly work together to repair the breaches in the walls in our community that once again they would be strong and secure. It will only be a supernatural move of God that can deliver us from this demonic power. To you be all glory and honor!***
